

## Moisturising Body butter

Nourishing, moisturising, high consistency

19/2139A.3	Ingredients	INCI name	%
A	Water		Qs.100
	Xanthan gum	Xanthan gum	0,3
	Glycerin	Glycerin	3,0
B	<b>APPYCLEAN 6548M</b> <i>Polyvalent Emulsifier</i>	Cetearyl alcohol (and) Cetearyl Wheat Straw Glycosides	5,5
	Murmuru seed Butter	Astrocaryum Murmuru Seed Butter	6,7
	Avocado Oil	Persea Gratissima Oil	6,7
	Macadamia Nut Butter	Macadamia Seed oil (and) Hydrogenated Macadamia Seed Oil Esters	1,2
	<b>APPYCLEAN 6886</b> <i>Co-Emulsifier</i>	Coco Glucoside	0,3
C	Acquabio active	Water (and) Glycerin (and) Anadenanthera colubrina Bark Extract	3,0
	Vitamine E acetate	Tocopherol Acetate	0,2
	Parfum		Qs.
D	Water		1,00
	Preservative	Potassium sorbate	0,3
	Preservative	Sodium benzoate	0,3
	Citric acid (80%)	Citric acid	Qs.

### Physical properties

Appearance: White butter

pH=5,0-5,5

viscosity (Brookfield, spindle 63)= 150 000-200 000 CPS

Stability: 3 months 4, 20, 45°C - passed centrifugation 25°C 4080G, 2X30min

### Procedure

- Predisperse the xanthan gum in glycerin and add into water.
- Heat phases A and B up to 75°C.
- Add slowly phase A into B under stirring until complete homogenisation.
- At room temperature, add phase C and D in order, under stirring.
- If necessary, add citric acid a pH between 5,0-5,5 is obtained.
